Audition Dates: Scholarship auditions will be held at the same time as the entry audition.

Applicants for scholarships who are unable to come to Sydney for auditions and interviews should contact the relevant School to ascertain the specific requirements for distance auditions.

Assessments and interviews will be arranged by the Head of School. Applicants will be advised of the decisions in writing. Scholarships are awarded on the basis of achievement and potential in the applicant's chosen area of study. Applicants will also be assessed on academic grounds and their potential contribution to the life of the Excelsia College community.

All scholarship applicants should familiarise themselves with the audition requirements as stated in the relevant School Course Information Booklet. Questions regarding appropriate repertoire should be directed to the relevant Head of School. Appointment times will be scheduled by the School and will occur at the Macquarie Park Campus unless otherwise specified. If the demand for scholarship auditions is high, additional audition days will be scheduled.

Please ensure that you complete all details on the application form overleaf.

ASSESSMENT CRITERIA FOR AWARDING SCHOLARSHIPS

- A. The level of scholarship is awarded by a Scholarship Committee, based on merit, as assessed by means of audition, interview, and documentary evidence.
- B. Most scholarships are awarded for the duration of the originally enrolled award. Some are only awarded per semester or per year.
- C. Scholarships do not cover:
 - Elective studies taken beyond course requirements
 - Private music tuition
 - Performance related costs
 - Other miscellaneous charges incurred in the course of study (e.g. textbooks, stationery).
 - Repeated units of study failed by a scholarship student in a previous academic period
- D. The decision of the Scholarship Committee is final.

CRITERIA FOR CONTINUATION OF A SCHOLARSHIP OR THE FORFEIT OF A SCHOLARSHIP

There are a number of requirements for scholarship recipients:

- A. Recipients must maintain the academic standard set out in the scholarship award letter for the scholarship to continue.
- B. Recipients are required to maintain a full-time study load for the duration of their course.
- C. Recipients must study in consecutive semesters for the duration of their course.
- D. Recipients who defer commencement of their studies will automatically forfeit their scholarship.
- E. Recipients who take a Leave of Absence during their studies will automatically forfeit their scholarship unless they apply to the Scholarship Committee for an exemption, which may be granted in response to a serious change of circumstances over which the student has no control.
- F. Recipients must pay all amounts due that are not covered by the scholarship. If a student does not pay all fees due within a reasonable time, the scholarship for that period may be forfeited and the total tuition fee will be payable by the student.
