### ABOUT THE SURVEY

Excelsia College has received excellent results in the 2021 QILT national Student Experience Survey registering scores higher than the national average in nearly all metrics of student experience for undergraduate and postgraduate courses. Funded by the Australian Government Department of Education and Training, the QILT (Quality Indicators for Learning and Teaching) survey is Australia's largest survey of higher education students nationwide. The report outlines student satisfaction data across both university and non-university higher education institutions.
